

SNEAKER IMPACT

Recycling Journey

- Only 13% of sneakers are recycled in the US
- Over 400 million pairs of sneakers are discarded every year in the US
 - 25% of children in the world lack proper footwear
 - 75% of the world depends on the secondhand market

RECYCLE your Sneakers for free at [SNEAKERIMPACT.COM](https://www.sneakerimpact.com) today to make a difference and a positive impact in your community and abroad!

SNEAKER IMPACT
 Recycling Sneakers To Create Economic Opportunities
 Because There Is No Planet B!
